Blade Of The Immortal, Vol. 17: On The Perfection Of Anatomy

Synopsis

Manji, the immortal swordsman, lies imprisoned in the bakufu stronghold of the mysterious Habaki Kagemura. Seeking to impart the life-extending powers of the Manjiâ™s kessen chu bloodworms to other humans, Kagimura orders his medical examiners to discover the secrets of Manjiâ™s amazing regenerative abilities. Using a series of convicts as live subjects in an increasingly grisly series of twisted experiments, Burando, Kagimuraâ™s lead medical examiner, begins to grow more desperate and sickened with each horrifying failure. And through it all, Manji lives, and regenerates, and bides his time for the moment that he can pay back his tormentors... limb by limb!

Customer Reviews

A+++

Great series! This issue however, was a little slow on the story side. Maybe I've become accustomed to all the action taking place in the books prior. But the blood and gore is still there, and it's still a very interesting story. I highly recommend this series.

I've followed Blade of the Immortal for a number of years, and never cease to be impressed by the unique twists and turns that the series' writer-artist Hiroaki Samura adds to it. BOTL's 17th volume, "On the Perfection of Anatomy," continues the great Samura tradition of the title, but has its downside...The story picks up right from volume 16, as Manji is in the clutches of the former head of the Mugai-Ryu, and high-ranking shogunate official, Gen. Habaki, who wants to use his unique

powers to transfer immortality to others. This plan involves a driven western-educated doctor who is mentally on the edge (and under pain of death to complete the task) and grisly surgeries on Manji and a series of convicted felons - surgeries which get more and more desperate, more and more terrifying... Meanwhile, Rin (who has been without Manji for nearly a month) is traveling around with Hyakurin, trying to find her erstwhile bodyguard, and her Itto-Ryu houseguests are becoming a nuisance in the city...Samura takes a decidedly leisurely pace with this series' plotting, and volume 17 is no exception - in a series where a single duel can take up an entire volume (no kidding) I suppose I shouldn't be surprised that Manji is still in the dungeon in this volume. However, despite the twists and turns and reversals of fortune that this series incorporates, I'm starting to worry if maybe Samura is starting to lose his way... any central focus that the series had seems to have fallen by the wayside, and one wonders when (or if) it can be brought to a satisfactory conclusion. This volume just feels like Samura is treading water - but well-written and well-drawn nonetheless.

What the hell Blade Of The Immortal is so darn good There may be less action in this one but it's so twisted and spooky... it's fantastic Unwholesome and sick, highly sadistic moments a delight every single Blade Of The Immortal is an absolute must-have so just f***ing buy it+++

Seems like a filler issue - nothing much happening in this volume, purely focusing on the medical procedure of trying to transfer immortality to another regular person.
