Arrival Of The Queen Of Sheba: Sheet (Keyboard Ensemble Series)

Synopsis

Richard Simm adds to his successful series of two piano works this wonderful arrangement of a beloved Baroque masterpiece. The piano parts are equal in difficulty and use of the familiar theme, and both lay easily under the hands. The ensemble between instruments is also easily achieved. Sure to be a favorite of students and two piano teams!

Book Information

Customer Reviews

No I didn't see where it was for piano and I was wanting to purchase it for a violin. So we never even used it. I wish it would have made clear.
