The Bounty Hunter (Lucky Luke)

Synopsis

When a huge bounty is posted on a Cheyenne man for the apparent theft of a pedigree horse, the bounty hunter Elliot Belt will stop at nothing to pocket it-not even at triggering a new Indian war if he has to. Lucky Luke must juggle keeping him in check, appeasing the irate Cheyenne people, and trying to save the suspected thief from Old West-style summary justice. A cheerful homage to the golden age of Hollywood westerns.

Customer Reviews

Born and raised in Belgium, Morris moved to the United States in 1946 for six years. There, he worked for MAD magazine and met Rene Goscinny, with whom he collaborated from 1955 until Goscinny's death in 1977. Goscinny also created the *Iznogoud* series with illustrator Tabary, published in English by Cinebook, and the hugely successful *Asterix* series with illustrator Uderzo.

The guy just reminds of Lee van Cleef from the Clint Eastwood spaghetti westerns.

A+++++++++. good. recommended. . excellent material

.....

Book # 26 in the Lucky Luke series was another good attempt by the publishers to get the series in full flow. The Bounty Hunter was funny reading and without the Dalton's being depicted (Thank God)

but still were mentioned in the book. The book revolved around the greedy bunch of bounty hunters and their desire to bring about the criminal elements of society to justice BUT these bounty hunters were despised by the very own people, who were terrorized by the crooks. Strange!!!!Lucky Luke fought the constant pestering by the group to join their band of bounty hunters and yet managed to save the life of the Red Indian falsely accused by the white folks of stealing a horse.Nice read!!!
