Customer Reviews

Designed to be personally reflective, the stories also give practical applications for your life. From ABIDE WITH ME to WHAT A FRIEND WE HAVE IN JESUS, these stories will not only speak to your soul, but will add depth and meaning as you worship God through song.

I LOVE this handy little book. If you are a pastor or worship leader, your people will enjoy hearing the "history behind the hymns". Though our worship style is a mixture of contemporary and hymns, this little book has proven to be a wonderful resource. You can use it before or after a congregational worship service to give your people a real eye-opening experience. Our congregation loves to hear the stories that gave birth to some of these great songs...songs like the doxology (written in the 1600's by Thomas Ken), or "It is well with my soul" (written by Horatio Spafford after the tragic death of ALL 5 of his children), or "Amazing Grace" (written by John Newton, a former slave ship captain who after being saved worked to abolish slavery). These stories are inspiring, and serve to connect people with the history and roots of their favorite Christian tunes. I'm so thankful for this inspiring little book!

An amazing book. I have used it for years and given many copies away. It is the most amazing journey of the history of Christianity through the lives of the beautiful hymns and their authors chronicled over the last two centuries. As a child and adult I had sung these hymns over and over...never ever understanding, appreciating, or realizing the whys and events that had birthed these great words of praise and worship to our God and Savior. Spending time in this book has enriched my life and taken me on an a great adventure. I enjoy tremendously including a hymn and its story in my quite time with God each day.

Gift purchase for a family member who is part of a religious singing group. She was SO happy to get it!

I LOVE this book. I actually used it in a church service to share with the congregation the stories behind the hymns.

This series of books provides an excellent resource on the Origin of many Great Hymns and Gospel Songs. The author has used numerous resources to obtain the information required for these series of books.

Another terrific book! This one contains background information on hymns that we know and love. It provides insight into how (and often, why) the verses came to be written.

It adds so much more to these beautiful hymns to know about their authors. I lost my first copy and just ordered my second one.

Christian history is always good for the soul as well as singing and learning about the hymns from the people who wrote them.
