Exercises In Oral Radiology And Interpretation By Langlais DDS MS, Robert P.. (Saunders,2003) [Paperback] 4th Edition

Synopsis

This book is pretty much like brand new. It has no writing or highlighting. I bought it two months ago for summer classes but only touched it like once because we also had other books at the time. It is even super shiny like a brand new book (which you can see in the pictures). I can also send it right away if you need it ASAP :)
