Prophecy And Modern Times: Finding Hope And Encouragement In The Last Days

Synopsis

Have you ever wondered what the ancient prophets had to say about these modern times? Find the answer in Prophecy and Modern Times, a brief but powerful exploration into 6,000 years of prophecies about these latter days. All the ancient warnings and promises are beautifully distilled, organized, and explained for clear understanding and quick application by this generation. As President Ezra Taft Benson said in the foreword, "Every person interested in present and future events in this war-torn world will profit from a careful perusal of these pages." Prophecy and Modern Times will help you interpret what ancient prophecies mean for your own life, and for the modern world. These prophets foresaw many of the complexities of the modern era, the Middle East, America, the rise of enormous economic and military powers, the stealthy corruption of nations and of personal lives, and how the second coming of Jesus Christ will finally begin a long-awaited era of peace. Gary D. Goodwin, of the Association for Mormon Letters, said "Skousen reveals his brilliance in his organization of such a monumentally complicated task. He suggests how to interpret prophecy, tells us its purpose and our responsibility to understand it. Skousen is masterful!"

Customer Reviews

Made total sense. Wonderful book. Would recommend it to anyone interested in the second coming. Totally documented book. Great read.

Using modern methods/examples, Cleon Skousen helps you want to be a better person -- who

works to show your family how they/you can be happier in your life. I have not finished the book but it is NOT a fast read. BUT IT IS WORTH THE TIME YOU WILL INVEST.

This book, not only recommended by Ezra Taft Benson, is a great resource in understanding scripture and prophecies to a beginner of learning about the Second Coming. I suggest everyone to read this piece of work to begin there journey in understanding God and what is to come in these modern times, but also begin to understand Isaiah better.

Wow! Next to the Scriptures, this is one of my favorite books. It is so well documented and edited, I am amazed that it is still Relevant, and the prophecies which are clearly described are happening today. Like dominoes one thing after another. Read this book! Send one to your friends, relatives, anyone you love!

We needed this book because we lost our old one and needed to read it again! It is a classic. Also ordered used and it was like brand new.

This book is timeless.
