Fans of the series will feel right at home with the familiar story structure and cheery illustrations, which retain the same style as the many, many other earlier offerings about the family. (Kirkus Review) "A classic in children's literature for nearly half a century, The Berenstain Bears are back with four all-new books that teach children how God wants them to live. These picture books focus on doing the right thing, saying prayers and going to Sunday school—all through the silly antics and delightful humor of the bear family." • (Focus on the Family Clubhouse Jr.) "Fans of the series will feel right at home with the familiar story structure and cheery illustrations." • (Kirkus Reviews) "Preschoolers will love exploring classic Bear Country with the familiar Berenstain Bears in their newly released faith-based series." • (Children's Ministry) "Michael's enthusiasm about his work is contagious. Great read for kids for Sunday School

I loved these books when I was a little girl and was so happy to introduce them to my daughter now as she is learning to read and is learning basic manners. I love the inclusion of bible verses and about basic manners and kindness that everyone should show regardless of age. This book was a great way to describe what Sunday School is and what to expect from Sunday School to my four year old. I love how very down to earth the cubs are, easily relatable to a normal perfectly imperfect child ;). They do a great job of storytelling of explaining how kids would feel in this situation and they do a fantastic job of teaching a lesson to young children. The Berenstain Bears are once again a part of my library. Thank you for keeping up the standard of excellence in these books :).

Great reading books for kids

This book barely describes what Sunday School is exactly. Long and rambly about hymns, mama "dragging" the family to church, a story about Noah's ark, and getting in trouble with the teacher. Too jokey.

A little wordy for my 2.5 yr old granddaughter, but she'll grow in to it. She's learning who the Berenstain Bears are.

LOVE THE BEARS

My grandson loved, the story. He really enjoyed the Noah 's Ark story. Good job and thank you for writing Christian stories for children.

nice story
