Revisit the charming tale of The Little Prince, the well-loved story by Antoine de Saint-Exupery. Perfect for all listeners - both young and old introduce the love of stories to the next generation by sharing this timeless tale. The Little Prince is perfect for sharing with the entire family. Children will adore the lovely fairy tale that the story is wrapped in, while older listeners will appreciate it for what it truly is - rife with thought-provoking allegories and metaphors that will change the way you look at life. Each paragraph is written in both English and Spanish - first in Spanish, followed by its English equivalent. You can also listen to the stories in Spanish only or in English only: perfect for bilingual children, whether native Spanish or English speakers! The story is recorded in two ways - an English version narrated by a native English speaker and a Spanish version narrated by a native Spanish speaker.
