Bold Women In Colorado History (Bold Women In History)

Synopsis

Bold Women in Colorado History shares the stories of ten Centennial State women, among them Clara Brown, a former slave who ventured west and remade herself into a respected entrepreneur; Chipeta, a Kiowa Apache woman adopted into the Ute tribe, who helped negotiate for peace between her people and the white outsiders; and Dr. Justina Ford, who overcame both racial and gender prejudice to become the first black female physician in the state. Perfect for school or home, these collections of short but informative biographies are both a valuable resource and an entertaining read. For readers young and old, the Bold Women series proves what women can accomplish when they dare to be bold.

Phyllis J. Perry is a graduate of the University of California, Berkeley. She received her master's degree from San Francisco State College and her doctorate from the University of Colorado, Boulder. After serving in the Boulder Valley Public Schools as a teacher, curriculum specialist, principal, and director of Talented & Gifted Education, Phyllis retired early to write full-time for children and adults. She has published more than seventy books, including *A Kid's Look at Colorado* (Fulcrum Publishing, 2005) and the award-winning *It Happened in Rocky Mountain National Park* (TwoDot Publishing, 2008). She and her husband live in Boulder.

I am just starting to work through this book - it takes awhile because the biographies are very in

depth, the photos clear, and the writing very interesting. A wonderful tribute to some amazing women in Colorado's History!

Interesting range of women selected.
