Hot Damn!

Synopsis

When Nick's boss comes down on him hard to make a critical drug bust, he has to follow the college crowd where the hybrid drug is being circulated. Working undercover, targeting the suspect's ex-girlfriends, he becomes too involved with Sasha Marshall who strikes his interest the moment he lay eyes on her. Sasha is a distraction he never counted on but when he starts falling fast, his obsession for her knows no boundaries... Barely old enough to drink, Sasha is mesmerized by the older guy who comes to her rescue and prevents her being mauled at the club. When she runs into him again, she's too attracted to him to let him go this time. Never afraid to pursue what she wants, she sets her sights on Nick. Little did she know, he was less than being honest with her about who he really is. And when the truth comes crashing, it's already too late. Caught between the man she is falling for and a drug bust that's going very wrong, Nick and Sasha will engage in a hot affair that will leave you gasping "Hot Damn!"
