Blind Spot (Chesapeake Valor Book #3)

Synopsis

Each of Pettrey's Novels Has Been a Multi-Month Bestseller FBI agent Declan Grey is in the chase of his life--but isn't sure exactly what he's chasing after. Threatened by a terrorist that "the wrath is coming," Grey fears something horrible is about to be unleashed on American soil. When his investigation leads him to a closed immigrant community, he turns to Tanner Shaw to help him. She's sought justice for refugees and the hurting around the world, and if there's anyone who can help him, it's Tanner. Tanner Shaw has joined the FBI as a crisis counselor . . . meaning she now has more opportunity to butt heads with Declan. But that tension also includes a spark she can't deny, and she's pretty sure Declan feels the same. But before anything can develop between them, they discover evidence of a terror cell--and soon are in a race against the clock to stop the coming "wrath" that could cost thousands their lives.
