Kayla Malcolm's fame seemed to be never ending! After the phenomenal success with *A Woman's Cry* which led to the award winning movie of the same name, she seemed to have it all. A successful career, and a loving husband in the form of the billionaire Tyrese. In this story the couple celebrate seven years of marriage and two beautiful children, plus the soundtrack to the second movie. But with success comes trials and tribulations! A scandal breaks out with the death of her father, Revd. John Simmons, when it was discovered that he had a son with a woman other than Kayla's mom. And that's just the tip of the iceberg; it seems others around Kayla are having issues, ones which could impact the relationship she has with Tyrese! Amidst all the trials, can they keep their marriage strong and in God's light? Find out in this heartfelt, inspirational Christian romance book by Shannon Gardener of African American Club.

Customer Reviews

I pre-ordered Gotta Have Faith and looked at the date everyday waiting for it's arrival. The storyline

was awesome and so realistic! Kudos to Sis. Shannon for her awesome ability to convey the power of forgiveness and love in real life situations. I've been hooked since the first book and have not been disappointed. I messed around and pre-ordered the 4th book in the series and wait in anticipation to read another awesome literary delicacy.

I was hooked almost immediately. Great story!!
