Customer Reviews

This book was purchased as material for a research paper on Coca-Cola our 10 year-old granddaughter was doing. It turned out to be an excellent resource! Well written, covering a lot of material in a short space. Great purchase! It was easy for her to apply the content to her research material - not over her head. Book was received in a timely manner.

My son needed a quick reference for a report on the coca-cola company. Great price on this book and quick consise information saved him time and a good grade.
