Earth Day Every Day

Synopsis

On Earth Day, we find ways to help the Earth. Trina plants trees with her class. She forms an Earth Day club with her friends. What can you do to make every day Earth Day? Do your part to be a planet protector! Discover how to reduce, reuse, recycle, and more with Tyler and Trina in the Planet Protectors series, part of the Cloverleaf Books™ collection.

ASIN: B06ZZZ5NT1

Best Sellers Rank: #106 in Books > Audible Audiobooks > Children's Books > Science & Nature

Customer Reviews

A great book my kindergarten students to better understand what Earth Day is and why we celebrate! It went along with our lesson very well. Easy to understand for their age level.

Really good book to read to students about Earth Day. Helped my students to understand Earth Day and what we all can do to keep our earth clean and touched on recycling.

Cute book! The pictures help explain the concepts to younger students. I will be using for my Earth Day lesson.

Great for preschool (and even above) level children to understand the importance of our planet.

Excellent book for children to learn to care for the Earth.

Amazing Earth Day story for younger children

perfect

A short, simple story about earth day and ways to help the earth. My son especially liked reading about worm composting.
