Getting To D.A.N.Y.: Lessons From A New York Job Hunt

Synopsis

Youâ™re hired! If only it were that easy on your first job huntâ™ or any job for that matter! Itâ™s not. We know it, but does your potential employer get to hold all the cards? In this, his first book, former Manhattan prosecutor Paul Caulfield offers a surprisingly entertaining and honest account of the universal, sometimes dreadfulâ™ even humorous experience of searching for a job in the world of law & order and becoming a prosecutor in the storied Manhattan District Attorneyâ™s Office, D.A.N.Y., and for the man at its helm, legendary New Yorker Robert M. Morgenthau. Does (every) experience matter? Whatâ™s failing feel like when everyoneâ™s watching? When you're alone? Is being yourself, at the end of the day, the answer? Getting to D.A.N.Y. is an enjoyable ride through the stresses, joys, doubts and grind that go with knowing who you are, discovering where you're going and learning that youâ™re not alone. ---Here's what former D.A.N.Y. prosecutors are saying about Getting to D.A.N.Y.: Lessons from a New York Job Hunt - "It's fantastic." "So well written." "My wife couldn't put it down." "Honest, accurate, and thoroughly enjoyable." "A must-read for that rare law student who aspires not to Big Law, but who dreams instead of joining the ranks of the country's premier prosecutor and spending his or her days in the service of justice, 'doing the right thing.'"

Customer Reviews

This book presents a unique window into one of the country's most storied law enforcement institutions. Caulfield effectively uses this legendary backdrop as a canvas to tell his own personal history as an Assistant District Attorney. Along with the many insights the reader receives on the criminal justice system, Caulfield's sage advice to new graduates is creatively woven into the book and is illustrated by his own trials and tribulations as a young lawyer. These engaging anecdotes and touching testimonials make for a read that is both educational and entertaining.

Caulfield's unique writing style contributes to an enjoyable read as he shares his educational and life experiences. He conveys a self-deprecating manner and honesty as he navigates through his roles as college student, missionary, schoolteacher, law school student, and trial lawyer. His strategies, discipline, and sense of humor are lessons learned of how he attained his level of success and "dream job" as Assistant District Attorney of New York. A motivation for all law students.....Could not put it down.

Having known nothing about the process of becoming a trial lawyer, I was utterly fascinated by this book. I especially enjoyed Caulfield recalling his experiences trying cases as a law student in Maryland. I think his story will resonate with anyone who went after a job they really wanted and got it.

Well-written, honest, accurate, and thoroughly enjoyable. A must-read for that rare law student who aspires not to Big Law, but who dreams instead of joining the ranks of the country's premier prosecutor and spending his or her days in the service of justice, 'doing the right thing.'

Very personal account of discovery and achievement. A wonderful story that is fun, funny and inspirational. Getting to D.A.N.Y. is a must read!

This was a fast paced and fun book. I truly enjoyed following Paul Caulfield on his wild ride as he strives to get to D.A.N.Y.

What a fun and engaging book. Would be a great gift for graduates! I see this book as a basis for a Movie / TV show - " About D.A.N.Y."

A great read that provides wonderful insight into the process of selecting a career path.
