The Paleo Chocolate Lovers' Cookbook: 80 Gluten-Free Treats For Breakfast & Dessert

Synopsis

The Paleo Chocolate Lovers Cookbook features 80 gluten-, grain-, and dairy-free recipes for the health-conscious chocolate lover. Kelly Brozyna, host of the delightful cooking blog, The Spunky Coconut, has created delicious chocolate treats made with coconut and ground nut flours for both breakfast and dessert. And, using dates and small amounts of the herbal sweetener stevia in these nutrient-dense baked goods, she shows you how to keep the honey and coconut sugar to a minimum. Recipes include: Chocolate Crepe Cake with Coconut Cream, White Chocolate Dipped Macadamia Biscotti, Homemade (dairy-free, low-glycemic) chocolate bars, Chocolate Swirl Cheese Danish Cake, Lava Cakes, Dark Chocolate Hazelnut Cookies, White Chocolate Truffles, Molten Chocolate, Cherry Cordial Fudge, and more. This book also details the components of chocolate--the importance of organic and fair trade chocolate, frequently asked questions about chocolate, and a side-by-side comparison of store-bought dark chocolate bars.

Deliciously satisfying and visually stimulating, The Paleo Chocolate Lovers Cookbook will free you from ever feeling restricted by the Paleo lifestyle. This book features 80 gluten-, grain-, and dairy-free treats for the health-conscious chocolate lover. Known to botanists as Theobroma cacao ("food of the gods"), cacao isn't just a flavor, it's an experience. It's no wonder that millions of people turn to chocolate for comfort and pleasure. Kelly Brozyna welcomes this heavenly treat into the Paleo diet with this innovative collection of recipes. Choosing organic and ethically-sourced chocolate is equally as important as selecting sustainable meat. Addressing chocolate farming and production, Kelly and her husband present everyone's favorite indulgence in a global context. The

book concludes with a special bonus chapter--10 savory recipes that incorporate chocolate. While mole is well-known for its delightful use of chocolate, other dishes such as Spicy Massaman Curry, Tomato & Cherry Chicken Cutlets, and Chili with Roasted Butternut Squash are equally complimented by chocolate. Enjoy these recipes from breakfast to dinner, and especially for dessert.

I've made several recipes and they were all delicious. I really like that the recipes are not included in any of my other cookbooks.

I've been a fan of Kelly's blog for awhile, but this is literally the icing on the cake! Every recipe I've made is delicious and satisfying without any of the ingredients we can't eat. Finally, a paleo frosting recipe that doesn't disappoint!

Great! These recipes and photo's make you want to try and recreate all of them! The ingredients are not hard to find and actually have most of them already in fridge and pantry :) Thanks Kelly! Going to look into your other books as well.

Love chocolate, this book was my dream book. Being on the Paleo lifestyle is challenging enough. The recipes let me be tempted legally. Even my non-Paleo friends love the reciprs.

I have made every recipe and absolutely LOVE IT! My favorite paleo dessert cookbook. She needs to write another cookbook!

This book has three Girl Scout Cookie recipes converted to Paleo. Also, it has candies, even a mint patty. Very creative book.

I love Kelly's Paleo cookbooks. The recipes are delicious and easy to make. And if you have a restricted diet, this is the cookbook to use. The photos are beautiful and appetizing. This cookbook is Gluten Free, Dairy Free and Paleo.

What an incredible book, such a unique collection of recipes - that all look delicious and simple to make! As someone who lives Gluten-Free and bakes Gluten-Free for extra income... I would recommend this book highly!
