Customer Reviews

"Teaching Kids to Thrive: Essential Skills for Success is a book that not only argues effectively for including social and emotional learning in every classroom, it also shows teachers how to do it. Debbie Silver and Dedra Stafford demonstrate how SEL instruction can be woven into all subject areas at every level of preK-12 education. They descriptively outline what SEL-friendly classrooms look like, and they provide a wealth of tools and strategies for educators who want to teach beyond the standards. I recommend this book for new and veteran teachers alike who want to help students learn to thrive both now and throughout their future lives."--Todd Whitaker, Professor of Educational Leadership

"Reading Teaching Kids to Thrive was like feeding my brain with PopRocks! It had me captivated, wondering, and marveling...all at the same time. Debbie and Dedra provide insightful research, actionable skills, and inspirational stories, while recognizing the voices of students and teachers at the turn of every page."
