## **Customer Reviews**

There is NO story, only a description of each pup, Ryder & the lookout. I wish we could have seen the book before buying it. My 2 yr old Paw Patrol obsessed son is so disappointed. We bought the Pups to the Rescue book and the words are the same as this book but at least that book has stickers included... and it was half the price of this one! Don't buy this book, buy the other one with stickers or The Itty-Bitty Kitty Rescue book (my son LOVES it and we are getting ready to read it now)!!!

If you own the book "Pups to the Rescue" do not buy this book. My 3 year old son was so disappointed when we found out this is almost the exact same story with just a few words changed

here and there. I'm going to return this book if I can.

This book is oversized which I like. It's a better fit for 3 year old hands. The story is ridiculously simple, and just a basic introduction to the Paw Patrol team. My son loves the show, and I try to encourage more reading than TV time. I thought the book would be interesting to him, but not so much. Read it on Christmas Day, and haven't picked it up since.

Merely a primer on who's who on Paw Patrol. A "Big Book" by no means! My 2 year old seems to like it though.

My son loves it

Our paw patrol fans got excited to see this but we've only read it twice. It's good quality and the illustrations are nice. It's an introduction to the characters but no plot and nothing new.

My grandkids love it

Just OK
