Color-Your-Own Greeting Cards: 30 Cards & Envelopes For Every Occasion

Synopsis

Color-Your-Own Greeting Cards offers a practical twist on the ever-popular coloring book. These 30 ready-to-color cards have images and hand-lettered messages for celebrations big and small throughout the year – including birthdays, weddings, anniversaries, welcoming a new baby, and offering congratulations and thanks – as well as more general all-purpose pictures. The heavy-duty back cover offers a sturdy coloring surface for the pre-scored pull-out cards.

Accompanying ready-to-color envelopes mean the completed 5x7 cards will be ready for mailing.

Book Information

Paperback: 30 pages

Publisher: Storey Publishing, LLC; Gcr edition (September 6, 2016)

She creates prints and stationery and sells them on her website, caitlinkeegan.com, and she licenses patterns and graphics for wallpaper and other products. Keegan is a graduate of the Rhode Island School of Design and lives and works in Brooklyn, New York.

Love these for my entertainment and then get to share it with whoever I decide to send it to!

Nice set of color your own greeting cards... Gave to my daughter for Christmas .. Something different than just a book and you can share your talents Very nice!

It's just alright. I expected different drawings. Perhaps it just a matter of taste; too many little angles

These are wonderful! So much fun! And pretty! The packaging and shipping was perfect! Would order again! Thanks!

I did not love all the designs and it easily bleeds so your inside card is not great for writing on. Needs to be made in heavier paper. Great idea just need better designs and sayings and heavier paper.

I just bought my second set of these greeting cards. I enjoy coloring greeting cards more than the coloring books, because, besides providing me with something to keep my hands busy, I can send them to people and don't need to purchase expensive cards.

Very attractive and fun to color--useful too!

The card and envelope variety and design was nice. The issue I have is that the quality of paper should be heavier to allow for markers and prevent curling
