Fhiona Galloway is the illustrator of the My Little World series. When not illustrating children's books, she likes spending time with her family, walking her giant schnauzer, drinking tea, reading, and watching films.

I got this because I knew my little one loves dogs and cats. I love that it has both. The text is simple and the illustrations are super cute! Great seasonal book!

"Fall is here" is adorable board book perfect for my infants. They were so excited when i started reading it to them.

The book is very nice and my son loves it, unfortunately the front cover came damaged.

The first book that could get my 9 mo engaged and keep her attention. Simple and cute.

Cute book for in granddaughter's trick-or-treat bag.
