This is it, my choice for Christmas coloring on the go and as a stocking stuffer. Perfect for carrying in my purse to color as I wait for appointments and to share time with my grandchildren when I visit them. The cover picture is included in the book but is not representative of all of the images. The 20 illustrations vary from very simple abstract Christmas trees that I can complete in 15 minutes up to a bit more complicated like the cover picture. 1. At only 5.5" x 8.5" this little book easily fits in my purse. 2. Filled with 20 Christmas themed illustrations printed one per page (the back of each page is blank) printed on light weight, bright white paper. 3. All markers and some gel pens leak through the pages, so I keep a piece of cardstock (cut to match the page size) in the book to prevent damage to the next picture. 4. This book is hard to get to lie flat, it does if I press my thumb hard and run it up and down the center binding with the book open and lying on a hard surface. 5. I am going to add images to help you decide if this book is just right for you.

Mother will love it! thinking of getting one for the rest of the family now. :-) images are beautiful and there is just a perfect variety. It doesn't feel like you are coloring the same image over and over. It fits perfectly inside stocking stuffer and great price for the quality

I bought this to help with the stress we always feel at the holidays. The pictures are nice sized. I keep it in my car and am able to color for a few minutes here and there while waiting. I only used colored pencils so I don't know if markers or gel would bleed through.

wasn't expecting it to be as small as it was but its a nice book

Loved it as a stocking stuffer. Used it a gifts for my co workers and students.

Great
