". . . destined to become a classic." -- Shepherd-Express.com, December 21, 2006

It's amazing that such a wonderful restaurant would share their recipes. Do NOT let it stop you from visiting this place if you have the chance, but if you don't -- buy this! If you've been...enjoy it again with this cookbook!

A lot of wonderful recipes and some very unusual ones as well.

Have eaten at the Double Musky Inn for many years. By far one of the great restaurants in the US. So glad to have this cookbook with their recipes.

Skied at Alyeska this past winter and ate at the Double Musky.....FANTASTIC RESTAURANT! I wanted their cookbook for a few of the items we loved that night and found this cookbook on Amazon!

I had copies of the recipes for years. So nice to have them in a really nice cookbook. I used to live in

Girdwood. Hopefully I can go there to eat again someday. Best gumbo I've ever eaten including in New Orleans.

I've had a few meals made from this book and decided to buy it my self. It is like being in the back of the restaurant. With the why and how to with an informal read.

I LOVE TO COOK . I own more than 100 cookbooks but none like this one. I received mine as a gift and it turned into my favorite very quickly. Beside "How to make rue's and terrific sauces it was an interesting read. I bought it as a gift for graduation for my niece who was a culinary student and she agrees it is a great read.

it was perfect
