Daniel Paolicchi was born in London and raised in Italy until age 12. He received his undergraduate degree from Tulane University, where Daniel majored in Spanish and spent his junior year abroad in Spain studying at the Universidad Complutense de Madrid. Daniel earned his Masterâ™s degree in Spanish Literature from the University of Virginia. He has taught High School Spanish since 2003 and has been teaching at Montgomery Bell Academy (Nashville, TN) since 2008.

I have a Spanish 5 class to prepare for AP Lang and culture as well as teach junior and senior IB and these cards are amazing for a quick vocab, transition words and grammar review as well as practice for those tests. I love these cards and think they are a great investment for higher level

studies.

Definitely a product for someone on the intermediate and above level. Great to use as a teaching aid.

Perfect!

well made and sturdy - advanced as promised

These cards contain hundreds of practice questions for the AP Spanish exam. I use these as bell ringers and test practice.

I am a certified AP Spanish Teacher and I highly recommend it to my students. Good quality and value for the Test Prep.

I used these to study for my Spanish teacher certification test. I like the explanations on the back. The writing prompts were good to give you an idea as to how a writing prompt should go. I would have liked to see some sort of 'sample' starter essay to some of these, but that's more suited for a book/workbook system. If you aren't easily motivated to crack a big review book, then the flashcards are easy to start flipping through and are at a good challenging level to prepare you for AP level material. The metal ring it comes with isn't that good - I took the other reviewer's suggestion and used rubber bands.

Last year my son got 4's on both of his AP tests. He said that he learned a lot from these and they make studying easier.
