Customer Reviews

Very nice arrangements and great for students in Faber's Piano Adventure level 2A! My students love this book!!!

I teach piano, and for the level and price, you get a good bang for your buck with this and others in Faber's series. Some of the songs are old to youngsters, but if they have heard them they like trying!

:-)

Lot of fun songs. Kids like this book very much. They learn play songs from their favorite movies. Good Book.

Grand-daughter loved this book. Just what she was looking for.

very good condition

I love Faber Popular Books for my piano students. I'm happy that they have somewhat updated the song selection.

Nice
