Mozart -- First Book For Pianists: Book & CD (Alfred Masterwork Edition)

Synopsis

This useful series, edited by Willard A. Palmer and others, features the easiest works of Mozart. All selections are presented in their original, un-simplified form and are organized in progressive order of difficulty. It allows students to begin playing this music from authoritative editions at an early stage in their studies. Pianist Scott Price has beautifully recorded all the pieces in the book, included on Compact Disc. He is the chair of the Piano Department at the University of South Carolina and holds a doctorate in piano performance from the University of Oklahoma. He has given master classes and recitals throughout the United States and Southeast Asia. His recordings are featured in Alfred's Premier Piano Course.

Excellent book and CD and very fast shipment by seller. I'm very pleased.

This is an excellent collection for a well motivated student of two or more years. My talented student

is 7 years old and was excited to play the pieces. The pages are cleanly edited and the selections appealing. It was especially helpful to hear them. I highly recommend the book. Wareham teacher
