Customer Reviews

Mary Jane Wilson, or the Busy Body, has done it again with her third novel, "the Basque Country, France and Sicily". What a joy to learn about Garibaldi's journeys as he attempted to liberate and unify Italy into the nation she is today. Mary Jane's perspectives are always fresh and humorous as she brings to life the dead people who made history.

I've enjoyed Mary Jane Wilson's previous 2 books and this one about the Basque Country even more so.
