Customer Reviews

We took a Viking River Cruise to Budapest, Austria, and Germany. During the Iron Curtain time we never went to Hungary, and this was the first time to a democratic eastern Europe. The book was helpful, supplemented by guide on our tour. Great experience

Didn't see that this book is actually from 2007! I am sure things have changed in Budapest since

then. What is the point of selling a travel book from 2007? When after reading the book, most of the restaurants and hotels and reviews are no longer applicable or valid. Don't buy this book if you need up to date information.

No issues

Fodors is not very thorough in its descriptions, nor does it discuss historical aspects very well.
