Roni Horn: Another Water

Synopsis

"What do you know about water? Only that it's everywhere differently." --Roni Horn. In 2000 Roni Horn published *Another Water*, an examination of the water of the River Thames through extensively footnoted photographs. This new edition of *Another Water* includes a new edit of the photographic aspect of the work. Water is a central theme for Horn: as a component of weather, a defining feature of her beloved Iceland, and as a beautiful, changeable element on which life depends. *Another Water* is an ode to the substance of water but also to its impact on identity and imagination--in Horn's words, "You can't talk about water without talking about oneself."

Book Information

Paperback: 112 pages

Publisher: Steidl (September 15, 2011)

Language: English

Customer Reviews

It is nice to be carried away by someone else's thoughts while looking at water, to see whether your thoughts match hers. -- The New York Times, October 20, 2000 – Sarah Boxer --This text refers to an out of print or unavailable edition of this title.

Roni Horn was born in 1955 in New York. Since earning her MFA from Yale in 1978, her sculptures, installations, and photographs have been shown extensively throughout the world. Previous photography books include the seven-volume project *To Place*, consisting of: *Bluff Life* (1990), *Folds* (1991), *Lava* (1992), *Pooling Waters* (1994), *Verne's Journey* (1995), *Haraldsdottir* (1996), and *Arctic Circles* (1998). She lives and works in New York. --This text refers to an out of print or unavailable edition of this title.

the wraparound cover, the footnotes' wandering thoughts countered by the precision of the numbers riding under the images--this beautiful edition makes text into river in a particularly suggestive way--

this is a great book, very thought provoking

A stunning book in an non-conventional format. Invigorating to read and peruse.
