The Memoir Project: A Thoroughly Non-Standardized Text For Writing & Life

Synopsis

Whether or not one has lived an exceptional or dramatic life, we inherently understand that writing memoir--whether it's a book, blog, or just a letter to a child - is the single greatest portal to self-examination. Stop treading water in writing exercises or hiding behind "writer's block" and learn how to write with intent. Marion Roach Smith's disarmingly frank but wildly fun tactics offer you simple and effective guidelines that work. Your legacy begins now.

Book Information

Audible Audio Edition

Listening Length: 3 hoursÂ andÂ 36 minutes

ASIN: B0057ICPIK

Best Sellers Rank: #219 inÂ Books > Audible Audiobooks > Nonfiction > Language Arts & Disciplines #407 inÂ Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Authorship #1998 inÂ Books > Reference > Writing, Research & Publishing Guides > Writing > Fiction

Customer Reviews

For a short book, this really packed a lot of helpful advice. Some have complained that there isn't enough information but I think they are seeking a different kind of book. If you are looking for exercises, this is not that type of book--and for that I'm glad. This is more about writing intentionally, finding themes in your writing, and illustrating them with scenes. After suffering writers block for a few months, I was able to get back to my writing with clear intent. I highly recommend this book.

If you wonder where you are for a moment, hang in there. You'll come around the corner and suddenly understand why each story and insight is relevant to this process. Fun to read; valuable for the library.

I was quite happy with it.

Good inspiration.

I've read this book twice and will soon re-read my highlighted sections. For any writer working on a memoir - this is a must-read.

What a great book!! I laugh - and LEARN! Going to look for other books by this author

I love her attitude about writing - just do it! There are many ways to learn to write but it's important to be careful about not doing too many exercises and just do it! She is straightforward and honest about what you need to learn and do. Not the only book I'd read on writing but an important one.

This author presents the memoir in a humorous, helpful way. A terrific book with a lot of helpful information I am using on my projects.kw
