Mary L. Hamilton grew up at a Christian youth camp in southern Wisconsin, much like the setting for "Hear No Evil" (Rustic Knoll Bible Camp, Book 1) and "Speak No Evil" (Book 2). She now lives with her family in Texas and is active in her local chapter of American Christian Fiction Writers (ACFW).

Can I just say that I love Claire? I think book three in the series should feature Claire. She's strong, fun, and loyal.Back to this book. I really liked seeing Taylor find his way. The spiritual lessons are

woven between action scenes, making a fast, fun read.

A sweet little book. I love camp life and it was as if I were there.. Bullying is everywhere, Kindness is everywhere. This precious book brought it all together. Fun for all ages. I am 79 years old.

Another great visit to Rustic Knoll! This camp year focuses on a different camper and situations with realistic life learning situations .Very good author, and Very good read. I'm watching for the third in the series to come out next year!!

Excellent young-adult knowledge set in a church bible camp. Well-developed protagonist who faces challenges in being accepted for who he is.

“Well I’m glad you guys didn’t get caught.” Taylor glanced sideways at her. “They didn’t get caught. I did.” Claire halted. She tipped her head to the side. “Wait. They snuck out. You followed to make Marissa go back to the cabin and you’re the only one who got caught? Did Zeke punish you?” “Zeke and Harris both.” Taylor shrugged and kept walking. “Nothing new. Happens all the time at home.” Claire hurried up to him, pulling on his arm until he stopped. “Do you always take the blame when Marissa gets into trouble?” Taylor nodded. “Pretty much.”
•Book: Speak No Evil by Mary L. Hamilton, Hope Springs Books, 2013
Genre: Realistic Fiction
Target Audience: Boys 13-16+
Subjects: Sibling Relationships, Parent Relationships, Bullying, Truth, Trust
Summary: Marissa’s words “He’s hot, even without the car” sealed Taylor’s fate. When his younger sister comes to camp with him and is attracted to the troublemaker, problems begin. She keeps sneaking out to be with him and in his attempts to stop her, Taylor is the one getting caught. He takes the blame for her, just like he always does. But things are different here. He has something valuable to lose “the trust of the camp maintenance man letting him help restore the classic car in the garage. If Luke would just leave Marissa alone everything would be fine. However, he has no intentions whatsoever of doing that. He’s bound for trouble and is intent on dragging Marissa right along with him.”
Notes: Speak No Evil is the 2nd in the Rusty Knoll Bible Camp series. The first book introduces a group of about six campers and each of the three books in the series tells the story of one of the boys at camp and experiencing life change through his experiences at camp and the nightly chapel messages. This book deals with a kid whose dad has lost all faith in him due to the poor choices of his older brother.

Jesse was the perfect one in the eyes of their father “until he found himself in jail. Now their dad is convinced that Taylor will be right behind him. Taylor was the camp bully in book one but this time he is too busy trying to keep his sister out of trouble to worry about causing trouble himself. It’s the trust the old maintenance man places in him that causes Taylor to finally put his trust in Christ for his salvation. When he sees someone believing good of him instead of bad, he finally recognizes the truth “Jesus did for Taylor what Taylor is doing for Marissa “ taking the punishment. Hebrews 13:5-6 “Keep your lives free from the love of money and be content with what you have, because God has said, “Never will I leave you; never will I forsake you.” So we say with confidence, “The Lord is my helper; I will not be afraid. What can man do to me?” Thank you to the author for providing me with a free review copy of this book in exchange for my honest opinion. I enjoyed it!

What a fun book to read! I loved the whole setting of the story and the teens involved. Set at the Rustic Knoll Bible Camp, Taylor is a teenage boy who loves cars and gets to help work on a classic car in this story. Taylor’s sister, Marissa is also at the camp and tends to look for adventure and trouble while her brother always steps in and takes the blame. It’s a good read that has you experiencing the camp and all the games, devotions and water activities right along with the ones in the story. There are also quite a few situations in which the teens wrestle with making right decisions and all the consequences that involves. There are great relationships in the book, and funny incidents involving mud and worms and snakes. And because it’s a Bible Camp, coming to know Jesus is explained in a simple way throughout the book. I enjoyed reading this book, and it would be great to buy for your favorite teen. I highly recommend this book. Thanks to the publisher for providing a complimentary copy of the book for an honest review.

This is the second book of Mary’s I’ve read in the Rustic Knoll Bible Camp series and was so excited to review it for her. I loved the first book! Mary did not disappoint with her second novel. She weaved scripture and solid teaching into the story line in a manner that leaves the reader wanting more. I admire this ability in Mary’s writing. She is very gifted. One thing I loved about this series was she used a bully as the main character. Taylor was the kid that tormented everyone in book one. Now, he’s back in book 2 and this time, he’s brought his little sister to camp with him. I loved how Mary humanized him in the very first chapter. Here is a kid struggling! He is hurting and we instantly feel compassion for him. This book might be geared toward middle graders, but I can see where

anyone would enjoy reading it. I love Mary's books, because we see how God can work through anyone. No one is beyond His reach. I was given a copy of this book in exchange for my honest review.

I like middle grade books, but haven't read a ton of Christian fiction for this age. So, I was glad to get a review copy from the publisher in exchange for my honest review. From page one, you can tell this is written with boys in mind. Cars and girls! So, I was wondering how the author would balance that stuff with a Christian message without it sounding too much like a "lesson." She did it perfectly by putting it in the setting of a Bible camp. This book, like camp, is full of teenagers, camp games, earthly desires (like cars, relationships, and reputation,) along with firm, but caring spiritual leaders who aren't perfect. I thought it worked really well. It's clearly aimed at a Christian audience who won't mind the devotions and clear Scripture messages that weave their way through the story. If you're a guy who's never gone to Bible camp and want to find out what it's like, this book may be a good read for you.
