Air Fryer Cookbook: 101 Delicious Recipes Of Your Favorite Foods

Synopsis

The Most Complete Air Fryer Cookbook Guide. Find Your Favorite Recipes in this Amazing Guide. Do you love that crispy taste that comes from deep frying? Do you wish you could have it with every meal, but worry about the extra oil, calories, and other bad health affects that comes with eating this way? The air fryer is going to help make things all better and this guidebook is going to show you how! The air fryer helps you to eat those tasty fried foods without all the grease and oil! Working with pressure and high temperatures, your food will be cooked and crispy without all the guilt. What could be better than that! Air Fryer Cookbook: 101 Delicious Recipes of Your Favorite Foods is going to show you some of the best recipes that you can use with the air fryer to meat any occasion. Whether you need a quick breakfast or are looking for something unique to enjoy while fixing dinner, this guidebook has all the best recipes that can make this happen. Inside this guidebook you are sure to find some of your favorite recipes, designed with a new twist of using the air fryer. Some of the delicious recipes that you will be able to find include: Strawberry muffins, Berry pancakes, Cheesy meatloaf, Homemade chili, Pork chops, BBQ ribs, Catfish fillets, Peach and apple cobbler, Mini cheesecakes, And so much more! When you are ready to have something that tastes fried and meets all your cravings without having to worry about going off that health plan, make sure to check out Air Fryer Cookbook: 101 Delicious Recipes of Your Favorite Foods and see just how tasty the air fryer can make your next meal!

Customer Reviews

If you want to stay healthy this holiday season; then look no further than the air fryer. This cookbook provides you with easy to read instructions and clearly laid out ingredients so that there is no difficulty in preparing these recipes. With recipes for all times of the day and occasions, you will find it hard to have a recipe that will suit your needs from pork kebabs to english muffins and duck loafs.

This is a great cookbook on Air Fryer. All of the things and recipes that I need to know about Air Fryer are already revealed and well-described inside. Sarah Stewart has done an incredible awesome job in compiling and creating this cookbook. Also the unique part of this book is the compilations of the 101 Air Fryer Recipes. They are so healthy, delicious, easy to prepared and well-illustrated. This book is really a great resource for me to understand more about Air Fryer. Overall, this book is useful and worth reading! I highly recommend this book to all. Therefore, I'd like to give this book a Very High and Amazing 5-Star.

I am always looking for healthy alternatives for my diet and few options look so health friendly than air frying. This book immediately caught my attention as it promised plenty of recipes and I am happy with the content. I found meals for the whole day, complete with breakfast, lunch and dinner. I recommend this book to all who are looking to maintain their eating habit healthy.

I need to get a air fryer. I love the recipes , and cant wait to try them. Some of my favorites are the cherry muffins, hash brown casserole. They even have bacon muffins. This is a great book and I can't wait to try them.

Got an air fryer for Christmas and got this book to see options on how to effectively use it. It is obvious from these recipes that it is really easy to use without all the grease. The book has given me some great ideas!

Very few of the recipes sounded appealing; all directions were missing in a few recipes. I think it's easier to Google recipes you want to try and get better instructions.

We're new to air frying so this book is full of great ideas for us to try out.

Good flashlights
