# The Case Of The Terrified Track Star (The Nicki Holland Mystery Series Book 4)

## Synopsis

Nicki saw Jeremy give Meredith a puzzled look. But then there was no mistaking the snarling howl that erupted from Mr. Nichols' yard. It was just like Jeremy's nightmare. Nicki turned and saw the gate on the tall wooden fence swing open. There was a flash of bristly fur and teeth and anger. Killer was loose, and his fangs were bared and gleaming. He was streaking right toward Jeremy Newkirk! Pine Grove's track star, Jeremy Newkirk, has always been afraid of dogs, but now somebody is using that information to scare him out of Saturday's important race. Without Jeremy, Pine Grove will never win! Following a trail of mysterious letters and threatening phone calls, Nicki and her friends are in their own race against time to solve the mystery. Can the girls keep Jeremy's worst nightmare from coming true?

## Customer Reviews

The Nicki Holland Mysteries is a great series for teen girls. I love these books as a kid. So excited to share them with the next generation! Hooray!

Ordered this book to complete a series at a Christian school library. The series has been enjoyed by many 6th grade girls!!

All literature is written at a 5th grade reading level so... this is a fantastic mystery, you really feel a connection between Nicki and her friends.

The Nicki Holland Mysteries by Angela E. Hunt are a powerful blend of suspense and character lessons. Hard to put down, yet easy to read, these books are excellent for the most reluctant young reader. Even the advanced reader will find it difficult to put these stories down until finished. The mixture of mystery and moral issues combine to make these books not only entertaining but also thought provoking where traditional values are concerned. Well done, Ms. Hunt
