# The Easy Way To Stop Gambling: Take Control Of Your Life (Allen Carr Easyway Series)

## Synopsis

Allen Carr's Easy way is the most effective stop-smoking method of all time and has also been successfully applied to a wide range of other issues, including drinking, overeating, and overspending. In this book the method addresses the fastest-growing social problem of modern times: gambling. Allen Carr explains how gamblers fall into the trap and why they keep gambling despite knowing that it's ruining their lives. By explaining the nature of the trap, he removes the desire to gamble and the fears that keep you hooked. Most important of all, you will not feel that you've made a sacrifice, you will not miss gambling, and you will be free to regain control of your life and enjoy it to the fullest.

GOOD

This is a good, helpful, practical and easy to read book but in the end it is still up to the person to want to change. If they don't want to change wholeheartedly it won't be as beneficial.
