## Customer Reviews

I did not care for the dirty language in her book. Amateur writer.

I received a free ebook in exchange for an honest review. Katy has lost her husband so lives alone on her farm. Someone has been up to mischief around the community and it is rumored to be the stranger in the woods. Katy doesn't think he is guilty because he has caused her no trouble. Maybe it is someone trying to get him to leave. After she takes food into the woods, he comes to see her and tells her his story. She reports to the Bishop and he will sort it out.

This story was very suspenseful and very good. I loved it from the first page to the last. Katy was an amazing woman and it was good that she stood her ground the way she did. She was so unsure of Ruben and that was good. Some people never want to own up to the errors of their ways. I am so glad that Katy stood her ground as she did. I received a copy for an honest review.

I enjoyed this mystery suspense story that takes place in an Amish community. A stranger is camping out in the woods and has people in the Amish community concerned when things start happening; things come up missing and even an attack on one of their own. An approach on a recently widowed lady, Katy, is unwelcomed, but he refuses to take no for an answer. The story has a great cast of characters, many strange incidences, a reminder of how dangerous gossip is, giving a person a fair chance and a wrong being made right. Katy's faith and non-judgmental attitude is refreshing. Disclosure: I received an e-copy of this book in exchange for an honest review. All thoughts, opinions, and ratings are my own.

I have yet to read a Grace Given story I didn't like. This one adds some mystery in an Amish community. There are some tense moments, but God is in control so fear isn't. I enjoyed the characters and how they interacted with one another. Highly recommend. I received a copy in exchange for an honest review.

Katy was surprised when Rubin asked her to marry him so soon after the death of her husband, Jonah. After so many suspicious happenings in the community, she decides to do a little investigating on her own. She uncovers something that a member of the community wanted to keep secret.

This was a very good story. I enjoyed it very much. My only wish was that it had an epilogue.

Very good book!
