Wilmington has a population of 10,000 people making a North Carolina's seventh largest metropolitan area. There are plenty of things for everyone to do, from playing on the beach to visiting in historic world war two battleship, and the performing arts to an active and vibrant nightlife. Wilmington North Carolina has three vibrant and active beaches filled with sun worshipers, kite flyers and swimmers "Carolina Beach." Is the most popular of the three Wilmington has a quaint historic district that houses all sorts of interesting shops and boutiques, perfect for finding those memorable treasures. Wilmington is also the proud home and port for the "USS North Carolina." In historic World War II battleship, that is now a living history Memorial open to the public. The ship provides a unique and tangible perspective of World War II history and the integral role of the Allied forces the ship is open to the public all year round (the hours are 8 AM to 8 PM during the summer and 8 AM to 5 PM during the winter months). If military history doesn't strike your fancy then you should visit the Carolina aquarium. This is great fun for children in houses all sorts of sea creatures from seahorses to seals and every variation of sea life and aquatic plant life. In between and offers various hands-on exhibits, as well as animal demonstrations that are sure to involve children for hours on end (no matter if they are eight or 80) Another intriguing fact is that Wilmington North Carolina is the birthplace of famous Chicago Bulls basketball player Michael Jordan. If you were a sports fan, interested in the life story of one of the greatest basketball players to ever have played and this is the place to find it. Customer Reviews

In the spring, the family and I are planning to go from Seattle back to North Carolina to "visit the kinfolk." As my granddad would say, but this time we're taking some family friends that I've never visited the southern states before and I figured since they would want to have their own adventures from time to time rather than just simply following around a bunch of backwoods country folk for four days. This little guidebook would be just about perfect. It is 12 pages that can be downloaded to a smart phone or other electronic gizmo with the Kindle app and then they will have all the necessary information to take a tour of Wilmington. This little guidebook is actually designed to be a three-day itinerary for a long weekend and listing everything from hotels to restaurants, and basically planning your itinerary for you, which ordinarily would be nice enough but since we already have the accommodations taken care of. I figure they can still make use of all of the other information such as the best beaches and shops and restaurants (although I would rather have grandma's cooking any day of the year). The book seems to be filled with quite a bit of historical information and interesting

trivia and facts about Wilmington (some of which I didn't even know). So I figure it should keep these two would-be Southerners occupied, while the family discusses fishing and frog gigging and swaps embarrassing family stories and such. The itinerary seems like it would make a good long weekend or romantic getaway suggestion. But I believe it will serve the purpose and for the price (which really can't be argued with). It should work nicely for the purpose, and I might be using one of these guides if they have other southern cities for future trips.

In *Wilmington NC Travel Guide - Miss Passport City Guides Presents Mini 3 Day Unforgettable Vacation Itinerary to Wilmington North Carolina*, Ms Sharon Bell takes her readers to Wilmington in North Carolina, the United States of America. In this publication, Ms Bell advises readers how to spend a three-day holiday in Wilmington. She advises readers about Wilmington's lodging accommodation, its modes of transport, its attractions and its food. Ms Bell informs her readers about places to visit while they are in Wilmington. These places include beautiful beaches, Wilmington's historic downtown and the USS North Carolina which is an old battleship.

Info on two hotels and restaurants. More like a brochure that you would pick up in a hotel. Very disappointed.

I looked at several of these Miss Passport guides and many of them have glowing 5 star reviews by the same 2 reviewers. I downloaded some of these guides and none are worthy of 5 stars.

I've heard of Wilmington before but when I first checked out this book I didn't know much about it. I found this book interesting because it was written like a trip itinerary. I liked reading about the various cultural, historical, and modern influences on this city. I travel frequently for business so learning more about new cities is always fascinating to me. I happen to be going there soon on a business trip. I found myself drooling over the many culinary delights. I also like that they added ways to keep your trip from breaking the bank! Even on an expense account, I still have to watch finances. Overall, it seems like a great little guide to the best spots in the area!

North Carolina is a scenic state, and with this guide, traveling has never been easier. All of the costs for travel and places to eat and stay are all neatly tallied up, and you're sure to have an epic three-day stay for minimal budget.

U can get the same information from a city brochure. There is so much more to see. I look forward to visiting.

After reading these glowing reviews, I can't help but wonder if I got the wrong book from the Kindle Lending Library. The book was very short, had very little information, and was full of typos. The information that was included was sound, I suppose, but the writing was very simplistic, much like it was written by a grade school kid. Lastly, there was no three day itinerary. There was info on lodging, restaurants, and things to see and do, but no itinerary. I'd give this 0 stars if that were an option.
