Hiking Maui

Synopsis

HIKING MAUI is an exciting and adventurous way to experience Maui, the Valley Isle. HIKING MAUI covers the island detailing 50 hiking trails. It all here: hiking trails off the enchanting Hana Highway offer wild fruit, waterfalls and generous swimming holes; the trail from the summit of majestic 10,023-foot Haleakala Volcano into the wilderness provides a surreal adventure and a large measure of solitude; and a stroll through Lahaina introduces the visitor to Hawaii's colorful history and present day multi-cultural society. Here are hikes for the novice, for the day hiker as well as the backpacker and for children and their grandparents. Detailed camping and rental housekeeping cabin information is also included.

"Robert Smith has been our hiking guru for some years." --Carol Johnson, Kokee Lodge, Kauai

Robert Smith has known Maui intimately for over 40 years, and he has conducted hiking and backpacking trip on the islands for 15 years. He has written five books on Hawaii hiking trails-

HIKING MAUI, HIKING KAUAI, HIKING HAWAII, HIKING OAHU, AND HAWAII'S BEST HIKING TRAILS. Smith had written numerous articles for newspapers and he was a prize-winning contributing editor for HAWAII magazine and the creator of the popular lecture series HAWAII ON FOOT.

Useless. This book describes only the most obvious, tamest trails -- the ones with guard rails and loads of "Caution" signs. I feel bad for the author, because he must have been badly scarred by lawsuits based on trails that he USED TO list in earlier editions of his book. Don't waste your money on this. "Maui Revealed" the excellent "Blue Book" is a much better source of info on hikes.
