The Clique #10: P.S. I Loathe You

Synopsis

Massie Block: When the Pretty Committee deems its boy-fast null and void, boy fever sweeps through BOCD. What better way to backhandspring into new crush Dempsey's heart-and make old crush Derrington jealous-than cheer for him on the soccer field? And just like that, Massie forms BOCD's first-ever cheerleading squad. But will Massie still have something to cheer about when Dempsey starts spending a lot of time with LBR Layne Abeley? Give me an "E" for Ehmagawd!

Kristen Gregory: With Massie and her SBFF (secret best friend forever) Layne vying for the same boy, Kristen has to make a choice: A) the Pretty Committee, or B) the Witty Committee. And if she doesn't choose fast, she'll end up C) Committeeless.

Dylan Marvil: Is hiding something, and it's not just those peanut butter Luna bars stashed under her mattress. She's got a secret crush on Derrington-and it's no secret that he likes burpilicious redheads. . . .

Alicia Rivera: Prefers plĩfÂ©s to pom-poms, especially when Massie orders her to the bottom of the cheer-pyramid. Can Alicia accept her beta status, or is it time to become alpha of her own squad?

Claire Lyons: Now that she's back with Cam, Claire finally has her love life in order. But her friends are trading crushes like styling tips. Will the Pretty Committee survive the boy-swap intact, or is the Clique about to come apart at the seams?

The CLIQUE books make up my fave BOOK series in the world! I swear to Gawd. In this book Massie starts a cheerleading team while fighting with Claire's (and Kristen's!) LBR friend Layne over Dempsey Solomon, an ex-LBR who has improved while in Africa. Claire and Cam are full on now, Dylan has a new bf, Derrington, the ex--crush of Massie. Dune comes back but Kristen isn't really THAT excited. Why? I aw-nestly think this book is relatable to tweets and teens in a middle school with and alpha and her BFFs that rule your school and cause drama. I mean, it's more than that too. Dealing with boys and friends and stuff is all in THE CLIQUE SERIES BY LISI HARRISON

Again - gifts for my niece; ended up sneaking a peek at the content. Cute stories - a bit on the shallow side, regarding labels and monetary things but its still a good little series. Every story got a little better - I had to pre-read my nieces books! LOL!

Book was fantastic. But book Prices are to high. I read this whole series, and I dont want to spoil this book, but it was awesome. Although I find the title very unattractive.

I loved this book! I'm so happy Claire and Cam got back together, they're so perfect for each other! Now Massie is over Derrington and now has a crush on Dempsey. Massie is trying to get Dempsey to like her the whole book. I like how it kind off circles around Kristen more than usual. I also really like the cheerleading squad! I loved this book and so will you!

Item as described. Thanks!
