Grasping God's Word: A Hands-On Approach To Reading, Interpreting, And Applying The Bible

Synopsis

Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read, interpret, and apply the Bible for themselves. The third edition, revised based on feedback from professors, will continue to serve college-level students and lay learners well in their quest to gain a firm grasp on the rock of God's word. Old Testament scholar J. Daniel Hays and New Testament expert J. Scott Duvall provide practical, hands-on exercises to guide students through the interpretive process. To emphasize the Bible's redemptive arc and encourage correlation across the canon, the authors have included a call to "cross into the rest of Scripture" as an additional step in the Interpretive Journey. This edition has also been rearranged for clarity and includes updated illustrations, appendices, bibliography, and assignments. A website for professors offers extensive teaching materials, and an accompanying revised workbook (Grasping God's Word Workbook •sold separately) gives students additional practice in reading and interpreting the Bible.

J. Scott Duvall (PhD. Southwestern Baptist Theological Seminary) is professor of New Testament at Ouachita Baptist University. He is the coauthor with George H. Guthrie of Biblical Greek Exegesis: A Graded Approach to Learning Intermediate and Advanced Greek and with Terry G. Carter and J. Daniel Hays of the textbook Preaching God's Word: A Hands on Approach to Preparing, Developing and Delivering the Sermon. J. Daniel Hays (ThM, Dallas Theological Seminary; PhD, Southwestern

Baptist Theological Seminary) is dean of the Pruet School of Christian Studies and professor of Old Testament at Ouachita Baptist University. He is the author of From Every People and Nation, and he has coauthored Grasping God's Word; Preaching God's Word; Journey into God's Word; The Story of Israel: A Biblical Theology; Iraq: Babylon of the End Times?; Apocalypse; and The Dictionary of Biblical Prophecy. He teaches adult Sunday school at his local church in Arkadelphia, Arkansas, and preaches frequently throughout the nation.

Awesome workbook to an awesome book. This isn't really necessary, but it's very helpful for a classroom/discipling environment. The book is great at teaching how to study the bible and equips the students to learn by practicing. The workbook contains all the same exercises as the book, but it's just more convenient than to print out materials or xerox a bunch of pages.

I'm on Chapter 3....and really enjoying this book! I did purchase the workbook as well. I'm glad I did.
:)

Love this book, it is helping in school with studies, and will continue to aid me after I have graduated. Thanks , the price and the time frame for receiving the book was terrific.

Great read for anyone desiring to grasp a truer understanding of God's word.

This is a great explanation of a reasoned approach to reading and understanding the Holy Scriptures. Easy read and great examples to assist the reader.

Very great book. If you want to rightly divide the word of God; here is where to start!

Good stuff.

If you want to learn the fundamentals of how to interpret the Bible correctly, this is a good resource to have in your library. It takes your bible study to an advanced level of understanding God's word and how to make truthful interpretations. This book teaches you how to do word studies, how to determine the meaning of the context, application and how to grasp the Old and New Testament.
