my boy enjoys reading this series

My eight year old loves this series. He also likes A to Z Mysteries, Boxcar Children, and the Action Bible so if your kid likes any of those, this series is a great bet. I like how it goes through related topics, such as this one, which focuses on fruits of the spirit. Others in the series focus on the 10 Commandments, parables of Jesus, Wisdom of Solomon, and so on. It's a great fun read and the chapters are a perfect size for a bedtime story with a purpose!
