Customer Reviews

I love to color for relaxation and stress relief. Akeem's artistry and attention to detail makes coloring very enjoyable for me. The quality of the pages are great, no seeping through. ILLUSTRIOUS is the perfect name for this book. The size is perfect for framing and that's just what I'm going to do!

Thanks Akeem Wayne

LOVE IT! Beautiful work, great job Brotha Akeem, looking forward to future Volumes..."Brotha Jay".

This book is absolutely beautifully. I love it!! I highly recommend this coloring book!!

I love this book! Fantastic quality and beautiful images....

I like and appreciate the concept, but more variety would be better. The pictures are all similar to each other.

I have both books and am waiting on delivery of the "Butterfly" edition next week, the lines are defined and the pictures set a true reflection of me. I will purchase all that he produces, LOVE, LOVE, LOVE HIS WORK

I love this! The detail and the depictions of us are on point....will definitely purchase any new work.

Awesome illustrations
