Customer Reviews

In addition to other works, Angelo Tropea is the author of "Pass the New York Notary Public Exam 2010 Edition" and its companion book, "Pass the New York Notary Exam Questions and Answers."

This book is very extensive yet simple. It is more than I need but, it is very good record keeping and it's nice to have the customer sign the book. The book inside says New York, so I'm assuming they need to keep more in depth records than PA, but getting into the practice of fool proof record keeping is good in any state.

Exactly what I was looking for in a Notary Journal and cheap too. Seeing as how I've got a memory like swiss cheese, this will help me in the event anything I have notarized comes under scrutiny. Better safe than sorry.

pages are a bit fragile....careful or they will fall out.

Lots of extra fields that aren't needed in this book

Wow, this Notary journal really has it all. Great detail for each transaction. I got the fingerprint pad

with it so I could utilize all options for confirming identity of those obtaining Notary service. Its nice this journal has a fingerprint space for each entry. Highly recommended for all Notaries.

This is an excellent journal book for any notaries the needs to capture all of the information about an affiant and the document or documents that you notarized.

There is a lot of information in this journal, more than others that I have used. I am waiting to be able to use it - I am still using another one.

This is the ONLY journal I use every year. As a notary it is organized, allows enough space and is perfect for when someone wants to see an individual record. GREAT BUY!
