## Customer Reviews

Eric Hanson and his mother Jeanne Hanson have traveled a lot together and know how to keep themselves entertained. Jeanne has written several books, including Why You Can't Tickle Yourself. They live in the Minneapolis area.

Fun for a road trip!! Kept my 9-year-old distracted a good amount of time!

This is a great thing for kids and keeps them busy. Would highly recommend for plane rides or something where you are sitting next to your child and playing along.

this book was great to have on our long trip. There were games to play with kids and adults, and stories to read, joke to tell

Great book for traveling with kids. Passes the time away instead of the usual "when will we be there" or "how much longer".

A lovely coloring book for a child traveling to keep them occupied, it has a variety of puzzles and games and plenty of coloring pages!

This is a great book to keep kids entertained and to learn new things!

Very good experience

It was a hit with my grandkids on our drive from nebraska to south dakota! No fighting, made for a peaceful trip all around.
