Man In White

Synopsis

Johnny Cash. The Apostle Paul. Passionate. Controversial. Fiery. Destructive. Redeemed. Two legendary men. Two thousand years apart-yet remarkably similar. Both struggled with a "thorn in the flesh." And both had powerful visions from God. Paul's encounter with the Man in White knocked him to the ground and struck him blind. It also turned him into one of the most influential men in history. Johnny Cash's vision was of another man entirely-his recently deceased father-a vision that helped spark his imagination to write this historical novel about the amazing life of the intriguing figure with whom Cash identified so deeply-the Apostle Paul. See Paul as you've never seen him before--through the creative imagination of one of the greatest singer-songwriters America has ever known. Subsequently see Johnny Cash, the man in Black, as you've never seen him before--as a passionist novelist consumed with the Man In White.

Customer Reviews

YA Covering a six-year period in the life of St. Paul in Roman-ruled Judea, Cash weaves a fascinating story of Saul's (Paul's) single-minded, zealous persecution of the early Christians through his conversion on the road to Damascus. Saul is portrayed as a man driven by what he sees as his "divine" mission, the extermination of this despicable Nazarene sect. However, with his conversion, all his fanaticism and energies turn to the spreading of "the word" to the gentiles. This well-researched novel breathes life into Paul, High Priest Annas, the pharisees, apostles, and the other characters who populate Jerusalem and the surrounding area. Readers will experience their

fears and doubts, aspirations and triumphs as Cash probes the motivations behind their actions. While the repetition of religious phrases and doctrine tends to slow the last third of the book, Cash's interpretation and writing style make the characters and times come alive. John Lawson , Fairfax County Public Library, Va.Copyright 1986 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Johnny CashÂ had one of the most recognizable voices in American music. His talent andÂ likeability created a fanbase with diverse musical tastes and allowed him to work with recording artists in a variety of musical genres. His career spanned over 50 years and included writing, acting, and music recording. Johnny Cash released over 70 albums in his lifetime, and won 17 Grammy Awards andÂ 9 CMA awards.

Its a decent read

I had no idea that Johnny Cash had ever written a book, and to find out that he wrote about Saul of Tarsus was even more of a surprise. It was obviously well researched, and it was well written. It kept me interested and gave me an interesting perspective on the whole subject. The introduction was very interesting as well, and certainly gave me new insights into Johnny Cash. I recently also read his daughter's autobiography, which was excellent, and his introduction touched on some of the things she wrote about, so *Man in White* came along at a perfect time for me.

A very exciting book. It shows another side of j.Cash.

This was truly a wonderful book. I stumbled upon it quite by accident and so glad that I did. As you read "The Man In White" you can gain a little glimpse of how things could have been. Pick this up and give it a go....you won't be sis appointed. The wonderful note at the end by his son John provided wonderful context or backdrop to the story of his father and this book.

This an awesome book by Johnny Cash written over a period of several years. He finally completed it at the encouraging of the Reverend Billy Graham and I am glaf he did! I knew Johnny Cash as the troubled country signer and sometimes actor. It is refreshing to know he was also a gifted spiritual author

good book, he really did his research, very easy read. I would never have dreamed Johnny Cash would have written such a book

Johnny Cash was a genius - musically and equally talented as a writer. I've read his book twice and have circulated it to two friends, one a Catholic priest. I highly recommend Man in White to those who enjoy novels of historical non-fiction that teach about the early Christian church. Cash must have truly been inspired.

I could see Paul as I read. Johnny did a great job. Definately not boreing and it might very well have been like this in his life.
