Overcome (The Breeds)

Synopsis

The #1 New York Times bestselling author of *Bengal's Quest* ignites the most dangerous instincts known to man, woman, and beast in these Breed novellas, collected in one volume for the first time.

The Breed Next Door Lyra thinks her new neighbor looks too good to be true. But Tarek Jordan is even more than he seems: a Breed Enforcer on the run. And even though he wants her, Tarek knows Lyra could get burned—unless she embraces the danger that comes with loving a Breed.

In a Wolf's Embrace Matthias and Grace are meant to mate—until he commits an act too shocking to ignore. Grace knew that the hot Breed was dangerous, but now, she fears for her own life. Yet she wonders: could it be part of some insidious plan? For there are forces determined to tear them apart and destroy what's left of the man within.

A Jaguar's Kiss Jaguar Breed Saban Broussard has a job to do: guard the first instructor chosen to teach Breed children. But with just one kiss and his touch, the mating phenomena begins that will tie Natalie Ricci to him forever. Unless a shadow from her past gets them both killed.

Customer Reviews

While I am and always will be a huge fan of Ms. Leigh's work, please purchase this book with caution as all three titles included have been published previously.

I am disappointed that it was not clearly stated at the time I pre-purchased this that it was a rerelease of the three stories. I have already purchased them in other anthologies. I am disappointed in the publisher and the author.

Three short novel, within Lora Leigh's Breed Series, that captured the stories of three different breeds finding and claiming their mates. They were excellent, short, passion filled novels that leave you wanting more. The Breed Next Door In 'The Breed Next Door,' we meet Lyra Mason, a fiery, independent, little neighbor, whom bakes bread, tends her garden, and loves to chastise her very hot, new neighbor, Tarek Jordan. Tarek Jordan, the Breed next door, is on a mission to track and find Genetic Council trainers for the Bureau of Breeds Affairs. He is also experiencing what it is to be free and a part of the world for the first time... and the joy of lawn and garden tools, much to his neighbor's garden detriment. Tarek is finding that he is drawn and distracted from his goal by his feisty, sexy, little neighbor, Lyra... In a Wolf's Embrace In 'A Wolf's Embrace,' we meet Grace Anderson, a hotel assistant manager, whom has been spending a lot of time with Matthias, a wolf Breed, whom rescued her from a mugging and is slowly losing her heart to. That is until she goes up to address a complaint from a hotel guest and sees something that shocks her to her core. This novella was a wonderfully written short story. Matthias nearly broke my heart, not understanding the love and acceptance a family gives freely. While Grace's warmth and loving heart was truly inspiring. A Jaguar's Kiss In 'A Jaguar's Kiss,' we meet Natalie Ricci, a divorced, school teacher, whom is looking for a new start. Seeking an escape from the life that stripped her of her choice and her independence. Saban Broussard, a jaguar breed and enforcer for the Bureau of Breeds Affairs, is working to protect and safe guard the first teacher chosen to teach the Breed's children. He is also seeking to claim and secure his mate's heart, as she has truly secured his... a task that may prove more difficult then he ever imagined.

If you have read her anthologies like I have don't waste your money. These are composed of them. But if you didn't great mini stories.

Very disappointed in the breed novel . If you wish to read page after page of same storyline. In which you the reader keeps questioning . . . did I read this before. This is the novel for you. Lora

leigh let's us down and her storytelling has faltered with this novel. I am a follower and was disappointed.

I am also disappointed as I love The Breed Series, but this book should have been listed as previously released. So buyers beware!!!

Got me this time. I am noticing that a lot of my favorite authors are re-releasing their previous works with new art work or titles. They are releasing them as new work. As other readers stated, I already owned all of these previous titles and have just paid almost \$8.00 to own them again..

I really like reading Lora Leigh! She never fails to deliver an enthralling story! They all have passion and drama. They keep you on the edge of your seat.
