Customer Reviews

okay, but not my favorite book for teaching easy Christmas songs.

really nice and easy for my kids to learn who are still young and just a few months into piano lessons, easy enough they could memorize a song and play it. i would also say notes and tune are spot on for each of the songs. they also come with an accompaniment, which I didn't do, but would be really cool to do with your kid.

Gave this book as Xmas gift to young advance beginner piano player. Her classmates enjoyed the holiday songs she played. She was excited to receive this book and practice for the 2017 Holiday class party,

good item

Lovely Christmas book that I've used with many students. Some music is pretty simplified. But it's a good one for younger beginners.

Fast delivery, great. little one need for class. great job

Wonderful

Kids love playing this music on the piano.
