Who Was Dr. Seuss?

Synopsis

Ted Geisel loved to doodle from the time he was a kid. He had an offbeat, fun-loving personality. He often threw dinner parties where guests wore outrageous hats! And he donned quirky hats when thinking up ideas for books-?like his classic *The Cat in the Hat*. This biography, with black-and-white illustrations throughout, brings an amazingly gifted author/illustrator to life.

Janet Pascal lives in New York, New York. Nancy Harrison lives in Allentown, Pennsylvania.

Ordered this paperback book for my wife for her 5th grade class. The book is great and she loves this series for her classroom. Got it while it was on sale and it's a great addition for her classroom. She highly recommends this series.

Read this book with my eight year old daughter. Learned some fascinating facts about Dr. Seuss and really enjoyed the book.

These are great books. All of the Who Was books are excellent for young readers. My daughter

gets very excited when she can teach us a little something about history and she seems to truly find things interesting. I think this is a great read for grades 3 and 4

I started off not knowing anything about Dr Seuss other than that his real name was not seuss. For my first Who Was? books this one was great and I finished with way more knowledge about him and I finished in one day! ÆfÆ Æ Å,Æ ÆœÆ Æ•
