# The Art Glass Of Louis Comfort Tiffany

## Synopsis

Louis Comfort Tiffany considered his Favrite glass, produced between the 1890s and 1920s, his signature artistic achievement. Now highly collectible, the glass underscores one-of-a-kind quality—every piece was blown and decorated by hand. This definitive account explores the full range of Tiffany Studios' remarkably diverse and innovative styles and forms, captured here in sumptuous photographs. From the exquisite delicacy of the Flowerform vases to the dramatic golden flow of the Lava vases, the book highlights a variety of unique masterpieces. With a biography of Louis Comfort Tiffany, a history of the glasshouse and its extraordinary technical innovations, and profiles of the gifted glassworkers and scientists behind the artworks, as well as never-before-published documents and archival photographs of Tiffany and his family, *The Art Glass of Louis Comfort Tiffany* showcases the mastery and vision behind these remarkable works.

Â Praise for *The Art Glass of Louis Comfort Tiffany*: "Though there are numerous books on the lamps, stained glass windows, and jewelry of Louis Comfort Tiffany, it is rare that the focus is on the art objects of the highly influential Art Nouveau artist and designer. A newly-published book, *The Art Glass of Louis Comfort Tiffany* (Vendome Press, \$75), addresses that with over 200 pages of photography and scholarly analysis of this important aspect of Tiffany's multi-faceted career." —*Glass Quarterly*

"In what has been described as the definitive account of Louis Comfort Tiffany's art glass, this book comes with the expert insight of author Paul Doros...Plenty of books have been written about Tiffany. Few focus on his art glass. This title is a gem." —*Antique Week*

## Book Information

## Customer Reviews

Paul E. Doros is a former glass expert in Christie's 20th Century Decorative Arts Department and curator of Glass at the Chrysler Museum of Art in Norfolk, Virginia. Alice Cooney Frelinghuysen is the Anthony W. and Lulu C. Wang Curator of American Decorative Arts, Metropolitan Museum of Art. David Schlegel is a staff photographer at Christie's. Advance Praise for The Art Glass of Louis Comfort Tiffany: "In what has been described as the definitive account of Louis Comfort Tiffany's art glass, this book comes with the expert insight of author Paul Doros. . . . Plenty of books have been written about Tiffany. Few focus on his art glass. This title is a gem."#151;Antique Week

I bought this book mainly for the incredibly beautiful photography of Tiffany art glass which I had seen at the Tiffany Museum in Winter Garden Florida. The photos were stunning and were as close to seeing it in person as I think you can get. The information contained in the book was also very informative as to the methods used to create these pieces of art. If you like Tiffany art glass you will love this book.

An absolutely stunning book on a long-neglected subject. The text is incredibly absorbing and makes a significant contribution to the field of Tiffany glass. The photos are amazing and bring to life an extraordinary range of rare and exquisite objects. This book has my highest possible recommendation!

What a wonderful overview of the great master of the art of glass. Essential reading for art lovers in general or Tiffany fans in particular.

I wasn't comprehensive and didn't include any images of his stain glass work. I had the expectations that the most expensive book you sell on the subject of Louis Comfort Tiffany would be more

This book is filled with terrific pictures and lots of information. I gave it as a gift and the recipient was very pleased.

Fabulous book very well written on a subject that needs more attention. Excellent service.

Heard the author, glad I had read book

"THE ART GLASS OF LOUIS COMFORT TIFFANY (Vendome) is is probably the best single book about the artist... It does...go into much nonacademic detail on the artist and his workshop, and most of the glass on view hasn't traveled, nor is it likely to. Paul Doros, who specialized in glass at Christie's, has made a genuine contribution to understanding one of the most sensuous 20th-century artists. " -- Scott Eyman, Palm Beach Post
