The Hermetic Brotherhood Of Luxor: Initiatic And Historical Documents Of An Order Of Practical Occultism

Synopsis

The Hermetic Brotherhood of Luxor, active in the last decades of the 19th century, was the only order of its time that taught practical occultism in the Western Mystery Tradition. This is the first complete and undistorted account, tracing the origins, founders, and practices of this very secretive order, which counted among its members many of the well-known figures of late 19th-century occultism, spiritualism, and Theosophy, including Max Theon, Peter Davidson, Thomas Henry Burgoyne and Paschal Beverly Randolph. This scholarly work provides all the materials for revisioning the history, assigning the Hermetic Brotherhood of Luxor its rightful place as one of the most influential esoteric orders of its time.

[P]rovides a complete transcription of the "secret teachings" of the Luxor brotherhood, including a strong introduction to the doctrines and history of the order . . . anticipate an exhaustive, in-depth study. -- The Bookwatch, September 1995

The Hermetic Brotherhood of Luxor, active in the last decades of the 19th century, was the only order of its time that taught practical occultism in the Western Mystery Tradition. This is the first complete and undistorted account, tracing the origins, founders, and practices of this very secretive order, which counted among its members many of the well-known figures of late 19th-century occultism, spiritualism, and Theosophy, including Max Theon, Peter Davidson, Thomas Henry

Burgoyne and Paschal Beverly Randolph. This scholarly work provides all the materials for revisioning the history, assigning the Hermetic Brotherhood of Luxor its rightful place as one of the most influential esoteric orders of its time.

An absolute priority and essential for not only the Occultist, but anyone interested in the History of America. A most wonderful companion to "Paschal Beverly Randolph: A Nineteenth-Century Black American Spiritualist, Rosicrucian, and Sex Magician", by John Patrick Deveney.

This book really goes back to the beginnings of occultism. I would suggest reading Paschal Beverly Randolph: A Nineteenth-Century Black American Spiritualist, Rosicrucian, and Sex Magician (Suny Series in Western Esoteric Traditions) first, however; as you will get more out of it if you have a context to put it in. Enjoy!

This book really goes back to the beginnings of occultism. I would suggest reading Paschal Beverly Randolph: A Nineteenth-Century Black American Spiritualist, Rosicrucian, and Sex Magician (Suny Series in Western Esoteric Traditions) first, however; as you will get more out of it if you have a context to put it in. Enjoy!

The Hermetic Brotherhood of Luxor was a fraternal order founded in the 19th century by the enigmatic Max Theon. People like Max Theon are usually described as 'enigmatic' or 'shadowy' and with good reason. But this book goes a long way toward shedding some light on Theon, Peter Davidson, Paschal Beverly Randolph, Emma Hardinge Britten, and others, all of whom had a great deal to do with the channeling of the American current of Magick. The research conducted by the authors' is truly impressive, although it simply left me hungry for more information. (Mr. Deveney has also written a marvelous biography of the mystic and seer, P.B. Randolph.) Read carefully, however, this book provides the background to the secret history of our times.

The Hermetic Brotherhood of Luxor has become "en vogue" lately among certain circles of occultists and occult historians. This book, unlike others written by persons of questionable academic reputation, gives a complete and unbiased account of the HBL, its structure, system, and personalities. Complete and concise, contains several useful documents including sources for high degree OTO materials, this book is a must-have in the library of any serious occultist.

I was surprised by the rigor of this study, it's a valuable source book providing interested students of history with a background to the HBoL, it's movers and shakers, and the general occult demimonde milieu they occupied. Students of 19th century esoteric history will find it valuable. I recommend Rene Guenon's history of Theosophy along with it. While Guenon's intent was polemical, he assembled a good body of facts and observations that overlap heavily with the materials Godwin assembled here. This book is well recommended.
