A Light In The Attic

Synopsis

From New York Times bestselling author Shel Silverstein, the creator of the beloved poetry collectionsÂ Where the Sidewalk Ends, Falling Up, and Every Thing On It,Â comes an imaginative book of poems and drawingsâ "a favorite of Shel Silverstein fans young and old. A Light in the Attic delights with remarkable characters and hilariously profound poems in a collection readers will return to again and again. Here in the attic you will find Backward Bill, Sour Face Ann, the Meehoo with an Exactlywatt, and the Polar Bear in the Frigidaire. You will talk with Broiled Face, and find out what happens when Somebody steals your knees, you get caught by the Quick-Digesting Gink, a Mountain snores, and They Put a Brassiere on the Camel. Come on up to the attic of Shel Silverstein and let the light bring you home. And don't miss Runny Babbit Returns, the new book from Shel Silverstein!Â

This is one of those books that should be considered mandatory reading for any child. I read this as a child and forgot about it until just a few years ago. A friend of mine had a child and when thinking of what might make a nice gift, I remembered how happy Shel Silverstein made me as a kid. You know it's good writing when you can remember verbatim the words (lyrics?) of certain poems (more specifically, the "twistable turnable man"). Do your children a favor and get them this book. It's like fuel for their imagination.

Shel Silverstein books are my favorite! I loved reading them as a child. I was very happy to find them on for such a low price. I love the collection of poems in *A Light in the Attic*. I was very happy to find other Shel Silverstein books for a low price on this website as well. I am very glad I bought these books. Shel Silverstein wrote many fantastic poems and I can not wait to share them with my

future children.

Shel was one of my favorite authors as a kid. I've been collecting some of his works lately, and this one was a must have. His sense of humor and imagination is delightful. I'm still immensely enjoying his books even as an adult.

My 5 year old daughter loves these books. I have fun reading the poems since I read them as a kid. I also like that most are pretty short so we can read for just a minute or longer when we have time.

You'd think that a book that was published before their teacher was in school would be boring for today's middle schoolers. In most cases, you'd be right. But there's something timeless about Shel Silverstein's connection with the mind of a child. *A Light in the Attic* and *Where the Sidewalk Ends* are class favorites. Indispensable for any classroom or school library.

Shel Silverstein is a classic author for all children from 4-94. I remembered enjoying these when ever I picked them up. Now my 4 year old is giddy with laughter and puzzled at the same time as the short and comical poems take him on short adventures every night before bed time. If you ever read these before enjoy them again they get better with age, if you have never had the pleasure you are sure to be amused and intrigued at the simple thoughts and ponder what was his muse to creat such amazing characters and conjur the ideas. Thank you for reintriducing us to friends of old in these one page adventures in fun.

I read Shel Silverstein as a kid, my kids read Shel Silverstein... Still as wonderful and amazing now as it was then. You can't go wrong with any of his books.

This book was a birthday gift request for my 8 year old granddaughter. Who loves Shel Silverstein and so far no problems. She's happy and I'm happy!
