Bruce Lansky's fans call him "The King of Giggle Poetry." He is one of North America's most popular authors of children's poetry books and the creator of GigglePoetry.com. He has written and edited 20 poetry books with sales of over 3,500,000 copies.

Great for inspiring children of all ages to read and write poetry.

My kids love poetry of any kind. These made them laugh and laugh.

This book is really funny. Most of the poems have a great ending as they rhyme to bring the poetry to life. I would tell others to read this book if they are looking for poetry with a fun and entertaining context.

i like poetry and we were studying poetry in fifth grade and this was one of the books that they read to us and its jam packed with silly fun poems that you can enjoy to read with your kids i know my son gets the giggles and so do i getting to share a book with him that i had fun with when i was younger

great book. I especially love the pickety fence.

What could be better than sharing laughs and rhyming with your grandchild. This book was made for Grandmas.

This is a terrific book to get kids hooked on poetry. It includes poems by popular authors such as Shel Silverstein, Jack Prelutsky, Joyce Armor, and of course, the editor, Bruce Lansky. I bought it used for about \$4, and consider it a great buy. I'm glad I have a hardback edition, as I'm sure this book will get lots of use.

Most of them were a little long for what I needed, however. I needed poems that 3rd-5th graders could memorize and tack onto the end of the school play.
